

Botany Guernsey

Part of La Société

The Botany Section is always delighted to welcome new members.

Joining the Section gives you access to regular meetings and field outings, often to areas not usually accessible to the general public. The modest subscription of £4.00, payable annually in January, goes towards upkeep of the Herbariums and various promotional materials.

Please make cheques payable to **La Société Guernesiaise, Botanical Section** and send to R & M Austin, Maymyo, Les Amballes, St Peter Port, Guernsey GY1 1WY. E-mail richmond.austin43@gmail.com or you can pay with cash at one of the next botany section meetings.
