

Belle Greve Bay - Here is a selection of the creatures and plants you can find on a rocky shore.

Remember: lift rocks carefully and always return them to the same position. If you pick something up always pop it back where you found it. Do not pick up **Velvet swimming crabs** - they can be fierce!

<p>Beadlet Anemone</p> 	<p>Snakelocks Anemone</p> 	<p>Trumpet Anemone</p> 	<p>Gem Anemone</p>
